

Scott Sandschafer, Chief Executive Officer

Scott Sandschafer, leading as the CEO of Calibo, is a visionary at the forefront of revolutionizing the digital PaaS industry. His strategic leadership aims to position Calibo as a benchmark in digital and data product development. With over a decade of technology leadership experience, including roles such as global CIO of Novartis, Scott has been instrumental in driving transformative change. Recognized for his influence in technology leadership circles, Scott, a Mechanical Engineering graduate from the University of Illinois at Urbana-Champaign, champions the integration of digital technology into business models, contributing to Calibo's innovative edge.

Committed to work-life harmony, Scott is dedicated to cultivating an innovative and dynamic culture at Calibo, envisioning not only transforming the business landscape but also making Calibo an inspiring place to work.
